

# Attention FDA

0710 '00 APR -6 P1:50

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*NO - The choice is mine <sup>not someone else's</sup>*  
C PER 567

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*Choice should be made by the person.  
Why do we have to do what we don't want to do???*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*NO*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*yes*
